NEXT PAGE

4 Mount the skis

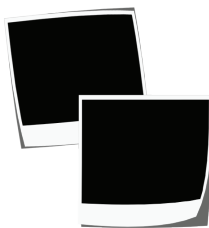

Drill holes in your wall and mount the holder

●
Open the bracket on both sides and place your skis

●
Once the bracket is released the skis are in place

5 Display your skis

It is really as simple as this to hang your skis in a beautiful way. We hope you will enjoy Wall-it Ski and we would really appreciate if you publish some pictures in social medias like facebook and instagram with #thewallit.
